Publisher Correction: High acceptability of a national platform for public health genomic data sharing and surveillance in Australia: a mixed methods study

Callum McEwan¹, Donya Eghrari¹ and Angeline S. Ferdinand^{1,2*}

Publisher Correction: *BMC Glob. Public Health* 4, 37 (2026). <https://doi.org/10.1186/s44263-026-00265-y>.

Following publication of the original article it was reported that the 'Ethics approval and consent to participate' declaration was missing. The original article has been updated to include this declaration.

Ethics approval and consent to participate

This study adhered to all elements of the Helsinki Declaration. Ethical approval to conduct this study was obtained from the University of Melbourne Biomedical Sciences Human Ethics Advisory Group (HEAG) (Application ID: 2056426.1). Written informed consent to participate was obtained from all interviewees.
