In the version of this article initially published, there were typographical errors in the Fig. 2a timeline, where for α -PD-1 antibody injections, “4, 7, 10” appeared originally as “4, 7, 0,” while in Fig. 2c, the x-axis label now reading “TNF-BV650” appeared originally as “TN- BV650.” The figure is now amended in the HTML and PDF versions of the article.
