Retraction Note: BMC Genomics 25,799, (2024)

<https://doi.org/10.1186/s12864-024-10708-1>

The authors have retracted this article due to an error in the analysis, which led to the inclusion of genes in a different region (C05:1.45–1.61 Mb) in the results and conclusions of the study. The authors have repeated the analysis and intend to submit a revised version of the manuscript for peer review.

All authors agree with this retraction.
